## The Tale Of Two Swizzles

The Swizzle Inn  
3 Blue Hole Hill, Bailey's Bay  
441-293-1854

What came first the rum swizzle or the Swizzle Inn? Actually, it was a tie! The Swizzle Inn Bailey's Bay, Bermuda's oldest operating pub opened in 1932 in a homestead from the 1600's and the swizzles have been flowing ever since. Family owned since 1962 when my parents Johnny and Jackie took over, The Swizzle Inn has grown from a quiet 2 room pub to the success it is today. My dad said he earned a whole £10.00 sterling on his first day. Happily, business has improved!! In 1973 the restaurant was built and twenty years later the second floor was opened along with the Swagger Out Gift Shop. In 2006 the Swizzle Inn South Shore in Warwick was established allowing those in the west end to enjoy the same great swizzles, food and pub atmosphere that has made us legendary with locals and visitors.

We all hope you enjoy your time with us and thank you for choosing us. Don't forget to leave your card on the pub walls and visit the Swagger Out Gift Shop for a lasting momento of your "swizzlin" time. Remember our motto Swizzle Inn – Swagger Out!

### GOSLING'S BLACK SEAL RUM

The Gosling family first arrived in Bermuda in 1806 and in 1860 launched the first of Bermuda's black rum. They didn't call it Black Seal at first. Up until World War I, it was only sold from the barrel and folks brought their own containers for a fill up. Eventually, the black rum was sold in champagne bottles reclaimed from the British Officers Mess and the corks sealed with black sealing wax – hence the name Black Seal was born!

It is a key additive to Bermuda Fish Chowder, adds the tempest to our other island favourite the Dark'n Stormy, and of course is the chief ingredient in our famous rum swizzle.
